

# Xreading Privacy Policy

*Last Updated: March 19, 2026*

## 1. Introduction

Xreading ("we," "us," or "our") is committed to protecting the privacy of students, teachers, and institutions who use our online reading platform. This Privacy Policy explains what information we collect, how we use it, and your rights regarding your personal data.

By using Xreading, you agree to the collection and use of information in accordance with this policy.

## 2. Information We Collect

### 2.1 Required Information

To use Xreading, we require only:

Username (chosen by teacher or student)

Password (chosen by teacher or student)

### 2.2 Optional Personal Information

Teachers and institutions may choose to provide additional information, including:

Student names

Email addresses

Student ID numbers

School/institution affiliation

Class information

**Important:** The decision to include personal information beyond username and password is made by the teacher or institution, not by Xreading.

### 2.3 Usage Data (Long-Term)

We collect and maintain the following reading activity data indefinitely:

Books read

Words read

Reading speed

Time spent reading

Quiz scores and comprehension results

### 2.4 Technical Data (Short-Term - 2 Years)

For security and fraud prevention purposes, we temporarily collect:

Login times and activity logs

Browser type and version

IP addresses

Geographic location data

This technical data is retained for 2 years to detect and prevent cheating, then automatically deleted.

## **2.5 Cookies**

We use essential cookies only for:

Maintaining user login sessions

Ensuring platform functionality

We do NOT use tracking cookies or third-party advertising cookies.

## **3. How We Use Your Information**

### **3.1 Educational Services**

Provide access to our reading platform

Track and display reading progress

Generate reports for teachers and institutions

Improve our content and services

### **3.2 Security and Integrity**

Detect and prevent cheating or misuse of the platform

Maintain account security

Investigate suspicious activity

### **3.3 Publisher Reporting**

Provide anonymous aggregate statistics to content publishers (e.g., how many times a book has been read)

This data does not include personal identification information

## **4. Information Sharing and Disclosure**

### **4.1 We DO NOT Share Personal Information**

Xreading does not share, sell, rent, or trade personal information with third parties for marketing purposes.

### **4.2 Teacher and Institution Access**

Teachers have access to all data for their enrolled students through the teacher portal (Moodle-based system)

Institutions have access to data for students enrolled in their classes

This access is necessary to provide educational services

### **4.3 Legal Requirements**

We may disclose information if required by law, court order, or governmental regulation, or to protect the rights and safety of Xreading, our users, or others.

## **5. Data Storage and Security**

### **5.1 Data Location**

All data is stored on secure servers in Japan using Amazon Web Services (AWS).

### **5.2 Security Measures**

We use reasonable security measures to protect personal information and usage data, including:

Secure password storage

Encrypted data transmission

Regular automated backups (every 24 hours)

Access controls and authentication

### **5.3 Limitation of Liability**

While we take reasonable precautions, Xreading shall not be held financially, legally, or otherwise responsible for any loss of personal information or usage data that is not due to explicit negligence.

## **6. Data Retention**

### **6.1 Personal Information**

Maintained as long as the account is active

Can be deleted upon request (see Section 7)

### **6.2 Reading Summary Data**

Maintained indefinitely to provide ongoing educational value and publisher reporting

### **6.3 Reading Activity Data**

Retained for 2 years to ensure the integrity of the platform

Automatically deleted after 2 years

## **7. Your Rights and Choices**

### **7.1 Data Access**

Students, parents, and teachers may request access to personal information. In order to maintain the security of the platform, teachers and institutions can request the deletion of student data by contacting us at [contact email]. Students and parents should request that their teachers contact Xreading on their behalf.

### **7.2 Data Deletion**

Teachers, students or parents may request deletion of personal data by contacting us. Upon request:

Personal identification information will be removed from the system

Reading activity records may be retained in anonymized form for publisher reporting and service improvement purposes

Complete deletion of reading records is available upon request if there is a compelling reason

If a student is in an active class, we will need their teacher's approval before the data can be deleted.

### **7.3 Data Export**

Students or parents may request an export of their personal data and reading activity. Requests can be made to [info@xreading.com].

### **7.4 Data Correction**

If personal information is incorrect, please contact your teacher or [contact email] to update it.

## **8. Account Management**

### **8.1 Account Ownership**

Reading activity data is owned by Xreading

Personal information is stored by Xreading but controlled by the school/institution

Schools and teachers decide what personal information to include in student accounts

### **8.2 Account Termination**

Xreading reserves the right to terminate accounts for violations of our Terms of Service, including but not limited to cheating or misuse of the platform.

## **9. Children's Privacy**

Xreading is primarily used in educational settings. We do not collect personal information directly from children without parental or teacher consent.

## **10. Third-Party Services**

### **10.1 Current Third-Party Services**

**AWS (Amazon Web Services):** Data hosting and storage in Japan

**Payment Processors:** We may integrate payment processing services in the future. When implemented, we will update this policy accordingly. This will only affect those users who opt in to using these payment portals to process their subscription payments.

### **10.2 Third-Party Links**

Our platform does not contain links to third-party websites.

## **11. International Data Transfers**

All data is stored in Japan. If you access Xreading from outside Japan, your information will be transferred to and stored in Japan.

## **12. Changes to This Privacy Policy**

We may update this Privacy Policy from time to time. We will notify users of any material changes by:

Posting the updated policy on our website

Updating the "Last Updated" date

Notifying teachers and institutions via email for significant changes

Continued use of Xreading after changes constitutes acceptance of the updated policy.

## **13. Contact Information**

If you have questions, concerns, or requests regarding this Privacy Policy or your personal data, please contact us at [paul@xreading.com](mailto:paul@xreading.com)
